

My Favorite Cow

1/4 PAGE INCLUDES:
Color photo, name of cow, name of owners, 50 words - \$200

You fell in love with her at first sight. She has a special place in your heart, your herd and your home. Yes, she is your favorite cow. You may have one or you may have many. As we celebrate Mothers in the month of May, feature your favorite cow inside the pages of "My Favorite Cow" Photo Album. This special photo album is dedicated to the cow(s) that led you to become a Longhorn breeder in the first place. She may not be the prettiest or have a golden pedigree, she may have died years ago or recently, she may be in your own herd or not, but she's your favorite and you want the world to know it.

There are two sizes to fit anyone's budget. Pick your size, fill in the requested information, include payment, and mail to Kim Richey 21000 Dry Creek Rd/San Angelo, TX 76901 or go online at www.tlbaa.org click on the E-trails link and print the form.

When you participate in My Favorite Cow, your 1/8 page or 1/4 page ad will appear in the May Brood Cow Issue of the Trails. In 2009, we placed 17 full page color ads and our goal for 2010, is to meet or exceed that. In addition, there is a My Favorite Cow custom hand tooled leather photo album, viewed by all that come to the TLBAA office, and your Favorite Cow ad will be included in it.

This is an all volunteer effort and all funds collected will go to the TLBAA Trails. If you would like to help, contact Kim Richey.
